*Wren Marie Harrington's "Light Travels" has extravagant variety not limited in styles or even languages. The album is simultaneously soothing and tickling. - Jazz Corner*

*Wren Marie Harrington delivers one of the most luscious recordings of the year. Her impeccable selection of songs vary from cool jazz to sizzling Latin gems. Her vocals are full, fresh, rich and emotive. – iTunes*

*Wonderful! - Jack Wilkins*

*With her rich lower register and smooth phrasing, she filled "Night Song" from the Broadway musical "Golden Boy" covered by such greats as Sammy Davis Jr. and Nina Simone, with a heartbreaking yearning. - StageBuddy*

*She sings, dances and acts with the naturalness that only a great artist could possess.  
- Napolinotte, Naples, Italy*

*...a marvelous voice, an artist who is destined to make history in the concert world.  
- Centro Uno, Naples, Italy*

*... Wren Harrington's Musetta fused a quick temper and warm heart with a sparkling soprano.
